For any questions during your stay, including parking, building access, amenities, laundry, maintenance, outages, or anything else, please contact us directly through the app or the above number.

Building staff/security do not manage guest stays, so the quickest and smoothest way to get help is always through us. If anything needs to be coordinated with the building, we'll handle it on your behalf.

Accessing the Garage

To access the parking spot, you'll need to check-in first and pick up the fob and garage door opener from inside the apartment

If You Have a Passenger

You can idle at the side of the building while your passenger checks-in and retrieves the fob from the apartment (see Check-In Instructions).

If You Are Driving Alone

You'll need to briefly park your vehicle, check-in, and pick up the key and fob. There is spot where you can park temporarily while you check-in
