

33 Wood Street, unit 2805, Toronto
House Manual

Guest Support

Phone / Text: [+1 \(647\) 268-9308](tel:+16472689308)

For any questions during your stay, including parking, building access, amenities, laundry, maintenance, outages, or anything else, please contact us directly through the app or the above number.

Building staff/security do not manage guest stays, so the quickest and smoothest way to get help is always through us. If anything needs to be coordinated with the building, we'll handle it on your behalf.

Check-out Time: 11am

The Garage

To return to your parking spot, the entrance to the parking garage is located on Floor 4.

Garbage

We will remove your garbage after you leave. If it is starting to smell or you have too much of it, please use the garbage disposal down your hallway

Accessing the Fitness Centre

The fitness Centre has Elliptical machines, Free weights, Stair steppers, Stationary bicycles, and Treadmills

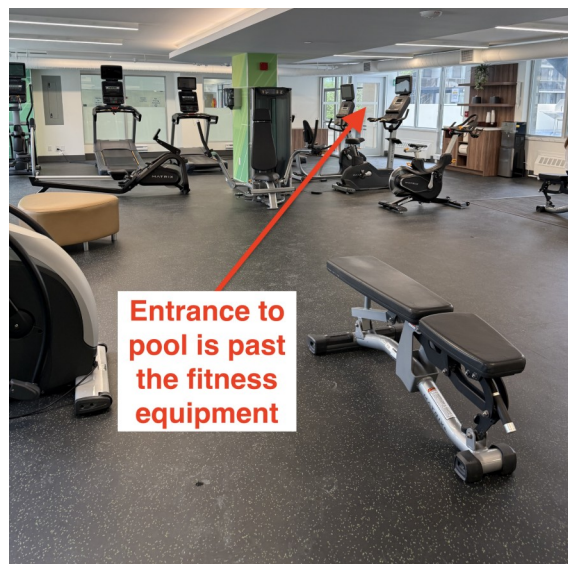

It is located on the 5th Floor. You can access it using your fob

Accessing the Pool

The pool hours are 5:30am to 11pm

It is accessible through the Fitness Centre, past the workout equipment

Pool Entrance

Laundry Facilities

The Laundry Facilities are on the 5th Floor.

Walk past the Fitness Centre and it is at the end of the hallway

The Laundry Room door is unlabelled

Using the Machines

The advertisement features the Sparkie Solutions logo at the top right. The main heading is "Start Machines with an App". Below this, it says "Download the LaundryCat App" and provides links to the App Store and Google Play. A central graphic shows a hand holding a smartphone with an NFC symbol and a signal icon. The "How it works" section lists three steps: 1. Activate account, 2. Add funds to your account balance, and 3. Bring phone near reader to pay for a machine cycle (the App uses NFC). Two illustrations show the phone being held near a machine's reader, with instructions for iPhone users (bring the top) and Android users (bring the middle). A note at the bottom left states "Phone 7 or later is required".
