Accessing the Garage

To access the parking spot, you'll need to check-in first and pick up the garage door opener from inside the apartment. It is located on the key hook by the front door (keychain has a yellow giraffe on it).

If You Have a Passenger

You can idle at the side of the building while your passenger checks-in and retrieves the garage door opener from the apartment (see Check-In Instructions).

If You Are Driving Alone

You'll need to briefly park your vehicle, check-in, and pick up the key and fob. There is spot where you can park temporarily while you check-in

Garage Entrance

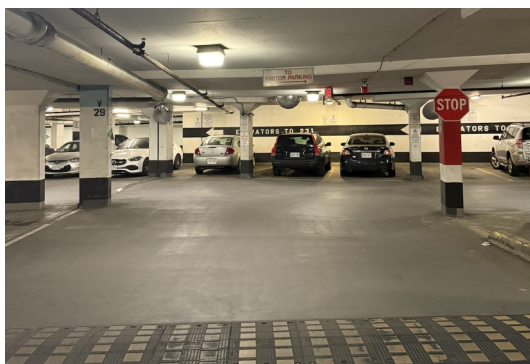

The entrance to the parking lot is at the side of the building via Angelique Street

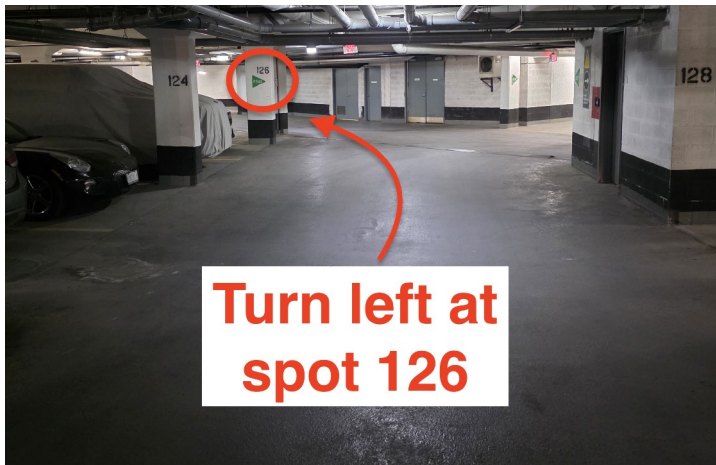

Entering the Garage

Press both buttons on the remote control and the gate will open

After entering the garage make the first right turn at the stop sign

Turn right through the gate at the 219 sign. Use both buttons on the remote to open the gate to the residential section
